

# pratica

Nella linea Pratica l'aspetto funzionale è centrale e trasversale. La sua capacità di essere pratica dà forza a tutte le caratteristiche estetiche dei complementi e accessori bagno che la compongono permettendo così una modularità senza confini.

*In the Pratica line, the functional aspect is central and transversal. Its ability to be practical gives strength to all the aesthetic characteristics of the bathroom complements and accessories that compose it, thus allowing modularity without borders.*
